As a CALD Community Engagement Officer at Kerrie & Mackie Rd Neighbourhood Houses, my role is to engage and liaise with community leaders, groups, and residents of

Culturally And Linguistically Diverse communities.

Being an immigrant and part of the CALD community for 29 years gives me an insight into the CALD community – the challenges, the strengths, the needs and the desire to contribute to a multicultural society.

Please talk to me if you have questions or ideas in relation to our organisation and community.

I'll help, support and work with you to better the services of our organisation to our CALD community.

If you have any questions or need any help, please feel free to visit the office, call the office on 9546 3311, or email cdworker@knh.org.au
